

THE SCHOOL SONG

Lord, help us to acknowledge
In everything Thy sway;
Be with us here in College
Our guide in work and play.
To kindness and to courtesy,
To championship of truth,
To courage and tenacity,
Inspire the Zeal of youth.

May School the wide arena
Of ardent, friendly strife,
Endow us with a keener
And finer zest for life,
To heights unscaled inspire us,
Unruly passions cool,
To selfless service fire us
Through pride and love of school.

Still onward, as the river
That once flowed by our gate,
Our years are moving ever
Towards life's mature estate.
Add to our book-learnt knowledge
Wisdom and charity,
That they who leave this College
May still walk on with Thee.
