Dear Year 14 Parent/Carer

As the summer break gets underway, I write to share key information in respect of A Level Results Day (Thursday 18 August 2022).

Thursday 18 August (A Level Results Day)

CCEA A Level results will be issued online. Your son/daughter has already received information in this regard. Results will be issued in College at 9.00am.

Please note:

- Results not collected by 3:00pm on Thursday 18 August 2022 will be posted first class that afternoon.
- Results will only be issued to your son/daughter. In the event that your son/daughter will not be available on Thursday 18 August 2022, the person he/she nominates to collect his/her results must provide written authorisation from your son/daughter for the College to release results.
- The results envelope will include a CCEA leaflet with guidance on the statement of results, including the omitted units.
- The CEIAG Department (Careers Education, Information, Advice and Guidance) will be available in College from Wednesday 17 August 2022.
- Heads of Departments and subject teachers will be available in College from Monday 22 August 2022.

Year 14 students can request CEIAG (Careers Education, Information, Advice and Guidance) support by completing a Google Form accessible on their Google Classroom.

Reserve Series Results

For the students who sat an exam in **the reserve series** at the end of June 2022, CCEA has made the following statement:

"The date for reserve series results will be published in advance of Thursday 18 August 2022. Please note, reserve series results will not be included with the main summer 2022 results and will not be available to UCAS until after Thursday 18 August 2022. However, the reserve results will be with UCAS in advance of their deadline for confirming university places".

The College will be in contact with the affected students upon confirmation of result dates.

Post-results Service 2022

After A2 results have been received, there is a formal process to follow if your son/daughter believes he/she has sufficient grounds on which to appeal a grade. For further details, please refer to the [PC Policy for the Post Results Service](#) which outlines your options. This service opens at 9am on Thursday 18 August and please note the deadlines for submission contained with the policy.

This guidance, alongside other useful information for Results Day, is posted on the **Year Group Google Classroom > Classwork > Results Day August 2022**, as well as the school website:

Accessing Online Information

Should your son/daughter not be able to log into their C2k account to access relevant information in the Google Classroom, they should contact the College ICT Technician, Mr Robinson.

On the morning of Thursday 18 August 2022, you can access your CCEA results online using the PIN distributed in registration prior to study leave. Replacements for lost PINs can only be provided to those who cannot be physically present in school.

The results portal can be accessed at the following link: <https://ceea.org.uk/resultsonline/> . Please note that WJEC or AQA do not as yet provide this online service.

Should you have any additional queries over the summer months, you are most welcome to contact me here in College via the info account (info@pc.portadown.ni.sch.uk).

In closing, may I take this opportunity to wish you and your son/daughter a relaxing and enjoyable summer spent in the company of family and friends.

Yours sincerely

Gillian R Gibb
